DIPLOMATE, AMERICAN BOARD OF INTERNAL MEDICINE
ASSOCIATE CLINICAL PROFESSOR OF MEDICINE
UNIVERSITY OF CALIFORNIA, IRVINE

February 2023

Dear Patient,

Since the Fall of 2003 I've been operating and running my solo private practice here in the city of Irvine. Over the many fulfilling years, I've been blessed with a plethora of wonderful patients whom I've had the sincere pleasure of caring for and monitoring their medical needs. Thank you for your patronage and dedication to my practice. I continue to strive and provide the same quality top tiered medical care, encompassed with my own personalized empathetic hands on approach. Due to the climate of our current healthcare system and burgeoning operating costs, in order to build long term sustainability into my business model, I'm happy to introduce some exciting changes into my medical practice. It is my pleasure to introduce you to my Comprehensive Administrative Plan (CAP) Membership program. This is an across the board required membership for all of my patients. I will continue to provide the same value-based care and expertise that I've done for the past few decades. The cost of the CAP Membership is \$500.00 per patient for the annual fee which is payable over two installments.

I am enthusiastic about the potential and prospects of my new CAP Membership program. I look forward to continuing our Physician/Patient relationship and friendship for the foreseeable bright future. Thank you for entrusting me with your care.

Sincerely,

William J. Tsai, M.D.
